I request that health information regarding my care and treatment be accessed as set forth on this form. If I give consent, my medical records from different places where I get health care can be accessed using a statewide computer network.

My information may be accessed in the event of an emergency, unless I complete this form and check box #3, which states that I deny consent *even* in a medical emergency.

The choice I make in this form will NOT affect my ability to get medical care. The choice I make in this form does NOT allow health insurers to have access to my information for the purpose of deciding whether to provide me with health insurance coverage or pay my medical bills.

My Consent Choice. ONE box is checked to the left of my choice.
I can fill out this form now or in the future.
I can also change my decision at any time by completing a new form.
